I am really very happy to learn that the Book of the titled “Aimol Kuhngrui Mangmarase” in Aimol language is going to publish shortly. Written by Shri. L. Reameishan Retd. H/M of Aimol Chingnunghut Village Tengnoupal District, Manipur.

Taking this opportunity, I would like to say that this book is very important to the people of Aimol Tribe as well as those others people who could read the book for future generation. In this book, it is clearly mentioned the very important History of our fore-father, grandfather and our father, then we know that how it comes the genuine/probable clans name from this book.

Further, I would like to say again that all the words mentioned in the book will bring a prosperous benefit of knowledge and development to the people of Aimol tribe and its youngsters and students for future generation and forever.

Lastly, I thank a lot to the writer of this book “**AIMOL KUHNGRUI MANGMARASE**” and wish him a grant success for his publication and to enable him to write more in future.

It is learnt that, a book titled “**Aimol Kuhngrui mangmarase**” compiled and composed by Pu. L. Reameishan Aimol, Chingnunghut retired teacher ADC, Chandel is going to be released shortly. A great task initiated by Pu. Aimol for promotion and preservation of Aimol traditional, cultural and customery history is well deserved to be appreciated. This specially designed book of Aimol ever published containing all the clans of Aimol, shows one’s identity.

This will immensely benefit the younger generation of Aimol in particular and the common people in general. It is an honour and previledge for me to have this opportunity in congratulating him on his endeavor. I wish him a good luck and may he becomes a blessed writer of Aimol.
